

ESIS Appoints Dmitry Shteynberg Senior Vice President – Partnership Services

ESIS, Inc., a Chubb Company, is pleased to announce that Dmitry Shteynberg has been appointed Senior Vice President (SVP) of Partnership Services.

Mr. Shteynberg will oversee client partnerships and focus on ESIS' exceptional delivery of outcome-based claims and risk management programs. Dmitry along with his team of Partnership Leaders will provide strategic consultancy services for our clients to align with their goals.

Dmitry comes to ESIS from Chubb, where he served as Senior Vice President – Distribution for the Chubb Major Accounts division. There, he was responsible for building and managing relationships with large account clients and distribution partners across the Midwest Region. Prior to joining Chubb, he held senior positions at several other carriers.

"Dmitry brings 20 years of leadership experience in the insurance industry and a deep understanding of the complex needs of the clients ESIS serves," said Leigh Anne Sherman, President – ESIS. "His ability to align and leverage resources combined with his success in forging partnerships with clients, internal teams, brokers, and vendors, make him a valuable addition to the ESIS leadership team," she added.

"ESIS is known for outstanding service and claim execution excellence. I am excited to be a part of the team and look forward to working with clients and colleagues to help deliver risk management solutions that improve outcomes and results," Mr. Shteynberg said.

Mr. Shteynberg earned a Bachelor of Arts in Economics from Northwestern University and a Master of Business Administration from the Kellogg School of Management at Northwestern University.

He will be based in Chicago, IL, and will report to Ms. Sherman.

About ESIS, A Chubb Company

ESIS, Inc. provides claim and risk management services to a wide variety of commercial clients. Our innovative best-in-class approach to program design, integration, and achievement of results aligns with the needs and expectations of our clients' unique risk management needs.
