

## ESIS Appoints Vasantha Prammagnanam Chief Information Officer

ESIS is pleased to announce that Vasantha Prammagnanam has been appointed Chief Information Officer.

Ms. Prammagnanam will lead the planning and execution of the company's IT strategy with a focus on optimizing the company's technology infrastructure and leveraging digital transformation to drive innovation.

"I am excited to welcome Vasantha as our new CIO," said Leigh Anne Sherman, Division President, ESIS. Technology is transforming our industry and strong information technology leadership is critical. Vasantha brings an innovative vision, deep experience as an architect of claim management and managed care platforms, and success in building strong teams. I am confident that she will help ESIS drive technology solutions that fuse our claims professionals' expertise with data to drive deeper insights that help our clients reduce their total cost of risk."

"I am excited to join the ESIS team," said Ms. Prammagnanam. "My passion is finding ways to weave technology and business together to make a positive impact in people's lives. I look forward to supporting ESIS' commitment to delivering outstanding claim management, outcomes, and service with technology solutions that empower our claim professionals and drive success for our clients and for ESIS."

Ms. Prammagnanam brings 23 years of IT experience as a leader in delivering technology platforms and solutions in insurance and healthcare. Most recently, she served as the Vice President — Information Systems for CorVel Corporation. In 2020, she was named one of Business Insurance's Women to Watch.

Ms. Prammagnanam holds a Bachelor of Engineering — Electrical and Electronics Engineering degree from Madurai Kamaraj University in India. Ms. Prammagnanam will report to Leigh Anne Sherman, Division President, ESIS.

Vasantha brings an innovative vision, deep experience as an architect of claim management and managed care platforms, and success in building strong teams.
