

ESIS Appoints Segment Leaders for Workers Compensation and Auto/General Liability

ESIS is pleased to announce that Dan Garrett has been appointed Vice President, Segment Leader for Workers Compensation, and Brad Stark has been appointed Vice President, Segment Leader for Auto/General Liability (AGL).

In these newly created roles, Mr. Stark and Mr. Garrett will support key differentiators for ESIS, including technical expertise, service excellence, quality management, talent development, and strategic claim management solutions that help clients improve outcomes and reduce their total cost of risk.

“The creation of the new Claim Segment Leader roles reflects ESIS’ ongoing commitment to driving claim excellence and exceptional service that are the cornerstones of the results we deliver for our clients,” said Leigh Anne Sherman, President, ESIS. “Dan and Brad will help us develop and execute claim management strategies that positively impact our claim professionals and our clients.

“It has been my privilege to work with Brad and Dan for many years. Both of them are strong leaders, and they each bring an extraordinary depth of knowledge and experience to the Claim Segment Leader position,” commented Eric Burtis, SVP – Field Claims for ESIS. “Together they will help ESIS continue to elevate our commitment to claim management that is second to none.”

Mr. Stark brings 34 years of industry experience to the Segment Leader role. He joined ESIS in 1999 as a Claim Manager overseeing workers compensation for the Midwest. Since 2005, he has served as Claim Vice President for the Midwest region based out of Overland Park, KS, with responsibility and oversight for workers compensation. In 2013, his oversight was expanded to include the Midwest AGL claim operation. He oversees the management and technical oversight of AGL teams handling large, centralized accounts in Overland Park, Kansas, Chatsworth, California, and Plymouth, Minnesota. Brad holds a Bachelor of Business Administration degree from the University of Missouri – Kansas City.

Mr. Garrett brings 31 years of workers compensation claim management experience to his new role. He began his career at ESIS as a workers compensation claim intern and then transitioned to a supervisor role and, in 2000, to a manager role. Since 2005, he has served as a Claim Vice President with responsibility for management and technical oversight of workers compensation claims in the NY region. Dan earned the Associate in Risk Management (ARM) and Chartered Property & Casualty Underwriter (CPCU) designations from the Insurance Institute of America and the Certified Employee Benefit Specialist (CEBS) designation through the Wharton School of Business. Dan holds both a Bachelor of Business Administration degree with a concentration in Finance, as well as a Master of Science Administration degree from the University of Notre Dame.

The creation of the new Claim Segment Leader roles reflects ESIS’ ongoing commitment to driving claim excellence and exceptional service that are the cornerstones of the results we deliver for our clients.
