## The Secret is Out...

Considering a higher level of risk retention for your Canadian claims?  
ESIS' Third Party Claims Administration is designed to help you reduce your total cost of risk.

For more than a decade, ESIS Canada, Inc. has been helping clients with operations in Canada, the United States, and around the globe. As a leading Third-Party Administrator (TPA) for claims, we know claims, and we know Canada. We bring you:

- Known claim service fees -- no time and expense charges
- A Partnership Leader, who knows your business and is focused on your claim outcomes, no need for you to hire independent adjusters
- Holistic approach to claims management, not just one claim at a time
- Immediate access to all your claims information and data -- no more compiling spreadsheets
- Partner with ESIS to create a seamless, consistent, and effective claim management solution for all your claims.
